BEST OF BOTH WORLDS

Glamping Cabins & Pods

Our Finman range of Glamping Cabins bring a new idea to an established and growing market.

The Finman Glamping range includes our Bunkhouse, Loft, Retreat and Sleeper cabins. You can expect to return a profit within the first year with some of our Finman range. Based on £75 rental per night of a 17m² Finman Sleeper Cabin at 25% occupancy.

We have just introduced the Burrow and Kura range of Glamping Cabins, which will seamlessly fit with any environment.

With Brexit uncertainty, more people will choose to holiday in the UK. Ask how we can help you grow your market share of this sector.

Finman Glamping Options

Internal or external double doors

Fully insulated twin wall

Finman Sleeper

"We were impressed with the build quality and pricing but key to us was their attitude and friendliness. The guys did a great job and very quickly and the cabins are doing great."
Skye Eco Bells

The Finman Sleeper cabin is designed as an accommodation solution for those that want to be able to offer family sized pods. The Sleeper provides Finman shell as your blank canvas and allows you to design your own accommodation from a family room to a honeymoon suite. Finman Sleepers mean even the least adventurous of campers can be persuaded from their own beds, all year round!
