# Models

## Round Cube **SINGLE**

---

Round Cube Single is **a one-room sauna** - a perfect choice for a larger group, which has space up to 8 people.

## Round Cube **DOUBLE**

---

Round Cube Double is **a two-room sauna** - there's a small rest room to relax between sauna sessions and a sauna room for up to 5 people.

# Design

In addition to its functional development process, the appearance has been an important aspect in order to bring **a real premium class sauna** into the market.

The **exclusive design** and **eye-catching form** meets the highest expectations for a modern and classy sauna. Round Cube is **design-protected**, which makes it one of the most unique saunas in Europe by its look.
